~Dana Pharant; Author of Beyond Fear

"Please be advised that I whole-heartedly recommend Suzanne to anyone who would want to write a book and "get their name in lights". Suzanne was inquisitive, persistent, tenacious, a guiding light and very positive and encouraging. She seemed to almost pull the story from me and it was an absolute pleasure to work with her and create what I thought was a wonderful product. Without any hesitation, I would highly recommend anyone to utilize her considerable services to put their story out there for all to hear!"

~Roy R. Tedsen, Investment Realty; Co-Author of The Art of Buying & Selling Real Estate

"This program was an answer to prayer, and the missing piece to the puzzle of externalizing what was in my head/heart. "It helped answer so many questions I had about where to start, how to organize my process and where to find the resources to see my book realized. I'd recommend it a thousand times over!"

~Rheanna Arfsten

CLIENT TESTIMONIALS (CONTINUED)

"My biggest fear before joining the program was not being able to deliver on the challenge. I have a full life of kids and building a business so I thought, 'Oh no, one more thing!' However, I was able to carve out the time needed to write and now I have a book written. Whohoo! Also, Suzanne is incredible. She is not only an expert but a person you want to hang out with and learn from."

~Kim Standeven

"If you want your book to be a success, call Suzanne. If you have a message and you want to share it in a book, call Suzanne. If you want to work with a professional who has your back, call Suzanne. There are not many people who never let you down. Suzanne Doyle-Ingram is one of the people in my world who has never let me down. She's exceeded my expectations at each step. Thank you, Suzanne."

~Lynn Williams

"Suzanne is a consummate professional who loves her work. She's passionate about what she does and pays attention to all the crucial details. Her enthusiasm is contagious and working with her is pure joy. For me, my favourite part of this project was the fact that Suzanne donated all royalties from the book to a women's and children's charity that does incredibly good work."

~Pascale Hansen; Co-Author, Simple Success Strategies

"I have learned so much from Suzanne. I loved this amazing program! With all the information she gave us right from the start, it was easy to decide what I wanted to write my book about. The tutorial videos allowed me to work at my own pace and I was so excited to work with a group of like-minded people. You want to write a book? DO THIS!!!"
